

Access World Expo 2010 – Study Mission to China

China has the second largest economy in the world after the US with a GDP of over \$7 trillion. China offers over 2000 years of history and culture. The best time to visit China is during the World Expo.

World Expo 2010 will take place from **May 1 to October 31, 2010 in Shanghai, China, with over 186 countries and 48 international organizations participate**, a record in World Expo History and is expected to generate the largest number of visitors in the history of the world's fairs.

Under its main theme of **"Better Cities, Better Life"** the expo will showcase a number of exciting initiatives aimed at achieving greener, safer, healthier, prosperous, inclusive, well managed cities – currently where over half of the world's population resides.

Join us to learn the rich Chinese history, unique culture and grow your global connections!
